

## Paper Dolls-- a Pinup Party! 2011 Packages for Pinup Sessions of Individuals

### A BREIF INTRODUCTION

Paper Dolls-- a Pinup Party is designed to turn a girl's desires of having photographs of herself that capture the very essence of her drop-dead desirable, seductive, playful, alluring power into a tangible reality. What's more; we will make the process as memorable and fun as the shots she'll use to absolutely stun and tease the lucky!

All photography packages include expert model coaching to bring out the best in you, props and accessories, and a large wardrobe to accommodate a variety of themes. Clients are welcome to take advantage of this wardrobe to compliment the clothing they bring to the shoot. Since 2006 Paper Dolls has refined its skills in creating authentic pinup art, some of which has graced magazine covers. Furthermore we have developed a line of merchandise showcasing this artwork in over 16 retail outlets in Colorado. The privacy of Paper Dolls' clients is always respected and ladies that desire to keep their photos just to themselves or shared with their special someone is always guaranteed.
